CONTRACTOR INFORMATION

Contractor Name _____ City _____ State _____

Rebate is available for the installation of a 240v hard-wired Level 2 EV charger. The charger must be installed where electricity is supplied by Meeker Energy and controlled on an off-peak rate. Rebate submittal must follow the guidelines as outlined by the Co-op. Meeker Energy is not responsible for inaccurate information supplied by vendors.

IMPORTANT

- Rebate funds are limited and administered on a first-come, first-served basis.
- Rebate amount is \$500 to offset the cost to install an EV charger controlled on an energy management rate.
- EV charger must be installed within cooperative's service territory.
- Meeker Energy provides the meter and energy management equipment for your electrician to install.
- Additional outlets wired on your energy management meter are prohibited when participating in the program.
- Fill out this form completely. Incomplete forms will not be processed.
- Include your account number and sign the form.
- Rebate program is subject to change or cancellation without notice.
- Submit completed rebate form and a copy (photo or scan) of the contractor's installation and/or purchase receipt within 90 days of purchase to: Meeker Energy, 1725 US HWY 12 E, STE 100, Litchfield, MN 55355 or energyservices@meeker.coop

By signing this application, I certify the electric vehicle I am enrolling in the EV Charger program is installed at the address listed above, and that I am a Meeker Energy member.
